- Healthcare reform
- Social determinants of health
- Mental health policy
- Aging and long-term care
- Public health
- Healthcare management

- Social work
- Nursing

Haworth Health and Social Policy has also been a pioneer in publishing interdisciplinary research. The journal's editors have long recognized that the most pressing healthcare and social problems cannot be solved by any one discipline alone. As a result, the journal has published work from a wide range of disciplines, including:

- Medicine
- Public health
- Economics
- Sociology
- Political science
- History
- Law
- Ethics

The result is a journal that is essential reading for anyone interested in the latest research on healthcare and social policy. Haworth Health and Social Policy is a peer-reviewed journal that publishes original research, review articles, and commentaries. The journal is published quarterly by Haworth Press.

To commemorate the journal's 50th anniversary, Haworth Press has published a special issue of the journal. The issue includes a selection of

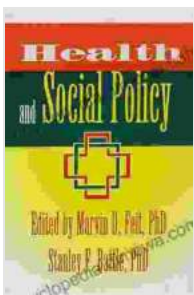

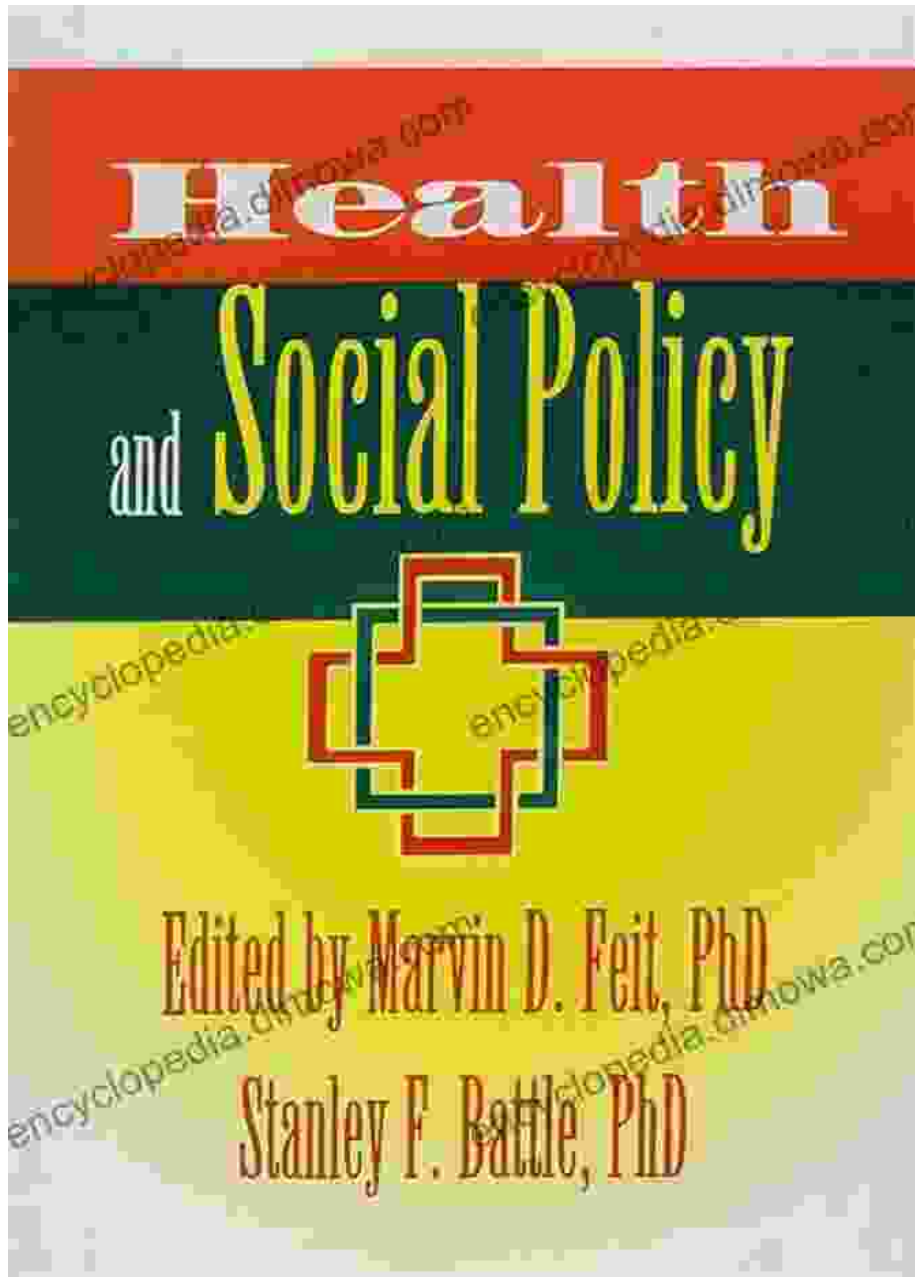

the most influential articles published in the journal over the past five decades. The issue also includes an by the journal's current editor-in-chief, Dr. David Mechanic.

The special issue is a testament to the journal's long-standing commitment to publishing high-quality research on healthcare and social policy. The issue is a valuable resource for researchers, policymakers, and practitioners working in the field.
