In *Dreaming Down the Bones*, author Kate Freuler offers a powerful and moving exploration of the ways in which we can honor and connect with our ancestors through the practice of necromancy. Drawing on her own experiences as a practicing necromancer, Freuler provides a comprehensive guide to this ancient and often misunderstood practice.

Freuler begins by dispelling some of the common misconceptions about necromancy. She explains that necromancy is not about raising the dead or summoning evil spirits. Rather, it is a way of communicating with the dead and learning from their wisdom. Freuler emphasizes that necromancy is a

practice of respect and reverence, and that it can be a powerful tool for healing and growth.

Freuler provides a step-by-step guide to performing necromantic rituals. She covers everything from creating a sacred space to choosing the right offerings. She also offers advice on how to interpret the messages that you receive from the dead. Freuler's writing is clear and concise, and she provides plenty of examples to illustrate her points.

*Dreaming Down the Bones* is a valuable resource for anyone who is interested in necromancy. Freuler's insights and guidance can help you to connect with your ancestors in a meaningful way. This book is a must-read for anyone who is interested in the occult, spirituality, or the power of the dead.

### **What Others Are Saying About Dreaming Down the Bones**

"*Dreaming Down the Bones* is a groundbreaking work that challenges our understanding of necromancy. Kate Freuler provides a clear and comprehensive guide to this ancient practice, and she offers a powerful vision of how we can use it to connect with our ancestors and heal our own wounds." - **Carolyn Elliott**, author of *Awakening the Witch Within*

"*Dreaming Down the Bones* is a must-read for anyone who is interested in necromancy. Freuler's writing is clear, concise, and engaging, and she provides a wealth of practical advice. This book is a valuable resource for anyone who wants to learn more about this ancient practice." -

**Christopher Penczak**, author of *Spirit Allies*

"Dreaming Down the Bones is a powerful and moving exploration of the ways in which we can honor and connect with our ancestors. Freuler's writing is both personal and insightful, and she provides a wealth of practical advice for anyone who is interested in practicing necromancy. This book is a must-read for anyone who is interested in the occult, spirituality, or the power of the dead." - **T. Thorn Coyle**, author of *Kissing the Goat: A Witches' Guide to Sex, Love, and Libido*
