★★★★☆ 4.8 out of 5

Mark your calendars for the 22nd International Conference on Human-Computer Interaction (HCI International 2024), which will take place in the historic and beautiful city of Copenhagen, Denmark, from July 19-24, 2024. This prestigious conference brings together researchers, practitioners, and industry leaders from around the globe to share the latest advancements in the field of human-computer interaction.

Why Attend HCI International 2024?

HCI International 2024 offers a unique opportunity to:

- Learn about the latest research and developments in human-computer interaction
- Network with leading experts in the field
- Attend thought-provoking keynote speeches and panel discussions

- Explore cutting-edge technologies and products in the HCI Expo
- Discover the vibrant city of Copenhagen

Conference Tracks

HCI International 2024 will feature a wide range of conference tracks, covering all aspects of human-computer interaction, including:

- User Experience (UX) Design
- Usability and Accessibility
- Human Factors and Ergonomics
- Interaction Design
- Cognitive Computing and Artificial Intelligence
- Mobile and Ubiquitous Computing
- Virtual and Augmented Reality
- Social Media and Social Computing
- Health Informatics
- Education and Learning

Keynote Speakers

HCI International 2024 will feature an impressive lineup of keynote speakers, including:

- Dr. Shumin Zhai, Professor, University of Waterloo
- Dr. Aaron Marcus, President, Aaron Marcus and Associates

- Dr. Helen Sharp, Professor, University of Manchester
- Dr. Yvonne Rogers, Professor, University of Bristol

HCI Expo

The HCI Expo will showcase the latest products and technologies from leading companies in the field of human-computer interaction. Attendees will have the opportunity to explore innovative new products and services, network with industry leaders, and learn about the latest trends in HCI.

Copenhagen: A Vibrant City to Explore

In addition to the conference itself, attendees will have the opportunity to explore the vibrant city of Copenhagen. Copenhagen is known for its charming canals, colorful architecture, and world-class museums and restaurants. There is something for everyone to enjoy in Copenhagen, from history buffs to art lovers to foodies.

Registration

Early bird registration for HCI International 2024 is now open. To register, please visit the conference website: <https://www.hcii2024.org>

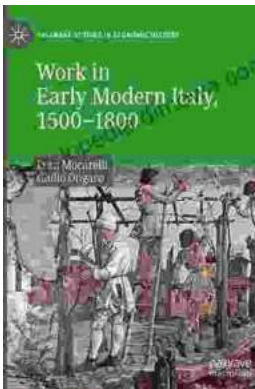

We look forward to seeing you in Copenhagen for HCI International 2024!
