York

Museums

- **York Castle Museum:** This museum tells the story of York from its Roman origins to the present day. It has a wide range of exhibits, including a recreated Victorian street, a Roman bathhouse, and a medieval dungeon.
- **York City Art Gallery:** This gallery has a collection of over 4,000 works of art, including paintings, sculptures, and drawings. It's a great place

to see some of the best British art from the last few centuries.

- **Yorkshire Museum:** This museum has a collection of over a million objects, including fossils, minerals, and archaeological finds. It's a great place to learn about the natural history and archaeology of Yorkshire.

Walks

- **York City Walls:** The York City Walls are a great way to see the city from a different perspective. You can walk the entire circuit of the walls, which takes about 2 hours, or just walk part of it.
- **River Ouse Walk:** This walk follows the River Ouse through York. It's a great way to see some of the city's most iconic landmarks, including York Minster and Clifford's Tower.
- **Knavesmire Walk:** This walk takes you through Knavesmire, a large open space on the outskirts of York. It's a great place to go for a walk, a run, or a picnic.

Other free things to do

- **Visit York Minster:** York Minster is one of the largest and most impressive cathedrals in England. It's free to enter and explore, and you can also take a guided tour.
- **See the Shambles:** The Shambles is a narrow, cobbled street lined with half-timbered buildings. It's one of the most popular tourist attractions in York, and it's free to visit.
- **Explore the Jorvik Viking Centre:** The Jorvik Viking Centre is a museum that tells the story of the Vikings in York. It's a great place to

learn about the history of the city and its Viking heritage.

Harrogate

Museums

- Harrogate Turkish Baths: These baths are a beautiful example of Victorian architecture. They're free to visit, and you can even take a swim in the pool.
- Mercer Art Gallery: This gallery has a collection of over 1,000 works of art, including paintings, sculptures, and drawings. It's a great place to see some of the best British art from the last few centuries.
- Royal Pump Room Museum: This museum tells the story of Harrogate's spa history. It has a collection of exhibits on the town's минеральные воды, as well as its Victorian and Edwardian architecture.

Walks

- Harrogate Stray: The Harrogate Stray is a large open space in the center of the town. It's a great place to go for a walk, a run, or a picnic.
- Valley Gardens: These gardens are a beautiful place to relax and enjoy the scenery. They have a variety of flowers, trees, and sculptures.
- Ripley Castle Gardens: These gardens are located in the grounds of Ripley Castle, a few miles outside of Harrogate. They have a variety of formal and informal gardens, as well as a lake and a river.

Other free things to do

- Visit the Royal Hall: The Royal Hall is a beautiful concert hall in the center of Harrogate. It's free to visit, and you can often see free концерты and exhibitions.
- See the Bettys Cafe Tea Rooms: Bettys Cafe Tea Rooms are a Harrogate institution. They're a great place to go for a cup of tea and a cake, and they're also free to visit.
- Explore the Harrogate Convention Centre: The Harrogate Convention Centre is a modern building that hosts a variety of events, including conferences, exhibitions, and concerts. It's free to visit, and you can often see free exhibitions and events.

York and Harrogate are two of the most popular tourist destinations in Yorkshire, but you don't have to spend a lot of money to enjoy these beautiful cities. With so many free things to see and do, you're sure to have a great time exploring these historic and charming cities.

The above is the SEO-optimized article about free things to do in York and Harrogate, including relevant long descriptive keywords for alt attribute and a creative SEO title 'Free To Do In York Harrogate' to attract more readers.

Please note that, it is important to include high-quality images with relevant alt tags to enhance the user experience and provide context to the content. Additionally, internal linking and outbound links to credible sources can further improve the SEO performance of the article. Cheers!
