Written by the legendary skeet shooter Bob Hartman, this book covers everything you need to know about the art of wingshooting, from the basics of shotgunning to advanced techniques for competitive shooters.

Hartman On Skeet is divided into three parts:

1. **The Fundamentals of Skeet Shooting:** This section covers the basics of shotgunning, including gun fit, stance, and swing. Hartman also provides detailed instructions on how to shoot each of the five skeet stations.

2. **Advanced Techniques for Competitive Shooters:** This section covers more advanced techniques for competitive shooters, such as how to read the target, how to shoot doubles, and how to handle wind and other environmental conditions.
3. **Mental Game of Skeet Shooting:** This section covers the mental game of skeet shooting, including how to stay focused, how to deal with pressure, and how to overcome the mental challenges of the sport.

Hartman On Skeet is packed with clear and concise instructions, helpful diagrams and illustrations, and personal anecdotes from Hartman's own experiences as a skeet shooter. This book is the definitive guide to the art of wingshooting, and it is a must-read for anyone who wants to improve their skills and take their shooting to the next level.
