About the Book

In India and East Africa: The History of Indians in the Region is a comprehensive and engaging exploration of the rich history and complex relationships between India and East Africa. From the earliest days of trade and cultural exchange to the present day, this book delves into the fascinating story of Indian migration to East Africa and its profound impact on both regions.

Drawing on a wealth of primary and secondary sources, the author presents a vivid and nuanced account of the Indian experience in East Africa. The book examines the economic, social, and political factors that drove Indian migration to the region, and explores the challenges and opportunities that Indians faced as they settled in new lands.

Key Features

- A comprehensive overview of the history of Indians in East Africa, from the earliest days of trade to the present day
- An exploration of the economic, social, and political factors that drove Indian migration to East Africa
- A detailed examination of the challenges and opportunities that Indians faced as they settled in new lands
- A discussion of the impact of Indian migration on both India and East Africa

Target Audience

In India and East Africa: The History of Indians in the Region is essential reading for anyone interested in the history of India, East Africa, or the

Indian diaspora. It is also a valuable resource for scholars, students, and policymakers working in the fields of migration, cultural exchange, and international relations.

Author Biography

Dr. Amiya Kumar Bhattacharya is a Professor of History at the University of Delhi. He is a leading expert on the history of India and East Africa, and has published extensively on the subject. His work has been praised for its rigor, originality, and insights into the complex relationships between the two regions.

Reviews

“In India and East Africa is a major contribution to the study of Indian migration and its impact on both India and East Africa. Bhattacharya's research is meticulous, his analysis is insightful, and his writing is engaging. This book is a must-read for anyone interested in the history of these two regions.”

-Professor Sugata Bose, Harvard University

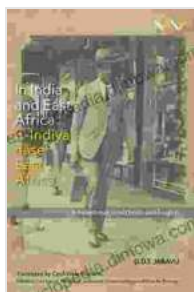

“In India and East Africa is a comprehensive and well-written account of the history of Indians in East Africa. Bhattacharya provides a nuanced and balanced perspective on this complex

and often misunderstood topic. This book is a valuable resource for scholars, students, and policymakers alike."

-Professor Ayesha Jalal, Tufts University
