Archie Horror's latest masterpiece, *Interview with the Vixen*, is a must-read for fans of horror and the Archie universe alike. This chilling tale follows the story of Cheryl Blossom, the titular Vixen, as she is interviewed by a mysterious reporter about her dark past.

The book is written by Kelly Thompson, a rising star in the comics industry. Thompson has previously written for Marvel Comics, DC Comics, and Image Comics. Her work on *Interview with the Vixen* is her first foray into the Archie universe, and she brings a fresh and unique perspective to the iconic characters.

In this exclusive interview, Thompson talks about her inspiration for the book, her writing process, and her hopes for the future of the Archie Horror line.

An Interview with Kelly Thompson

Horror Freak: What inspired you to write *Interview with the Vixen*?

Kelly Thompson: I've always been a fan of horror movies, and I've always been fascinated by the character of Cheryl Blossom. She's such a complex and enigmatic character, and I thought it would be really interesting to explore her dark side.

Horror Freak: What was your writing process like for this book?

Kelly Thompson: I started by doing a lot of research on the character of Cheryl Blossom and the Archie universe. I wanted to make sure that I was

staying true to the characters and the world that had been created.

Once I had a good understanding of the characters and the world, I started to develop the story. I wanted to create a story that was both horrifying and suspenseful, but I also wanted to explore the characters' emotions and motivations.

Horror Freak: What are your hopes for the future of the Archie Horror line?

Kelly Thompson: I hope that the Archie Horror line continues to grow and expand. I think there's a lot of potential for horror stories in the Archie universe, and I'm excited to see what other creators come up with.

I also hope that the Archie Horror line can help to introduce new readers to the Archie universe. I think that horror comics can be a great way to get people interested in comics, and I'm hoping that the Archie Horror line can help to bring new readers to the Archie universe.

Interview with the Vixen is a must-read for fans of horror and the Archie universe alike. Kelly Thompson has crafted a chilling and suspenseful tale that will keep you on the edge of your seat from beginning to end.

If you're looking for a great horror comic to read, then I highly recommend *Interview with the Vixen*. You won't be disappointed.
