Historical Evolution and Theoretical Foundations

The book delves into the historical roots of dramaturgy, tracing its origins from ancient Greek theater to the modern era. It examines key theoretical concepts, such as Aristotle's "Poetics," Brecht's "Epic Theater," and Grotowski's "Poor Theater," illuminating their influence on the development of dramaturgical practices.

Contemporary Practices and Methodologies

New Dramaturgy showcases a wide range of contemporary dramaturgical approaches, emphasizing their practical application in diverse theatrical contexts. Readers will gain insights into the roles of dramaturgs in new play

development, text analysis, audience engagement, and artistic collaboration, among others.

International Perspectives

The book's international scope provides a unique opportunity to examine dramaturgy beyond Western theatrical traditions. It features contributions from renowned dramaturgs from around the globe, offering diverse perspectives on the field's evolution, challenges, and opportunities.

Case Studies and Practical Applications

To illustrate the practical application of dramaturgy, the book presents detailed case studies of specific productions. These examples highlight the interplay between theory and practice, demonstrating how dramaturgs contribute to the artistic and intellectual process of theater-making.

Emerging Trends and Future Directions

New Dramaturgy concludes with a thought-provoking exploration of emerging trends and future directions in the field. It discusses the impact of technological advancements, globalization, and social movements on dramaturgical practice, pointing towards the exciting possibilities that lie ahead.

Target Audience

New Dramaturgy is an essential resource for theater professionals, students, scholars, and anyone interested in the evolving landscape of theater-making. Its comprehensive coverage and insightful perspectives make it an invaluable guide for navigating the complexities of modern dramaturgy.
