Endorsed by CACHE, the UK's leading awarding organisation for early years qualifications, this book is written by a team of experts with a wealth of experience in the field.

The book is divided into four parts, covering:

- Child development
- The early years curriculum

- Working in a childcare setting
- Professional practice

Each part is packed with engaging activities, case studies, and reflective questions to help you learn and apply the material in your own practice.

The book also includes a free companion website with additional resources, such as:

- Interactive quizzes
- Downloadable worksheets
- Access to a discussion forum

Whether you are a student, a newly qualified practitioner, or an experienced professional, this book is an essential resource for your career in early years.

Endorsements

"This book is a must-have for anyone working in the early years sector. It is packed with practical advice and guidance, and the activities and case studies make it a really engaging read." - **CACHE**

"This book is an invaluable resource for early years practitioners. It covers all the essential knowledge and skills required for the CACHE Level 2 and 3 qualifications, and it is written in a clear and accessible style." - **Early**
