

Year of Outrage, Pride, and Occasional Games of College Football

In the wake of the police killings of unarmed Black men and women, and the subsequent protests and unrest, many Americans are grappling with the complex and often contradictory emotions of outrage, pride, and frustration. Year of Outrage, Pride, and Occasional Games of College Football is a powerful and moving memoir that captures these complexities with honesty and humor.

Author Jason Johnson is a Black man who grew up in the South during the Jim Crow era. He witnessed firsthand the racism and discrimination that Black people faced on a daily basis. Yet, he also experienced the love and support of his family and community, which gave him the strength to overcome the challenges he faced.

As an adult, Johnson has become a successful writer and professor. He has used his platform to speak out against racism and injustice, and to celebrate the resilience and strength of the Black community. Year of

Outrage, Pride, and Occasional Games of College Football is a collection of essays that reflect on Johnson's experiences as a Black man in America. The essays are personal and introspective, but they also offer a broader perspective on the history of race relations in the United States.

Johnson writes about the pain and anger he feels when he sees Black people being killed by police. He also writes about the pride he feels when he sees Black people standing up for their rights. And he writes about the hope he has for a better future, a future where all people are treated with dignity and respect.

Year of Outrage, Pride, and Occasional Games of College Football is a timely and important book. It is a book that will make you angry, but it will also make you proud. And it will give you hope for a better future.
