

Your Cat Won't Do That: Observations and Advice for Cat Companions from Longtime Cat Behaviorist Marilyn Krieger

Cats are often seen as mysterious and independent creatures, but their behavior is actually quite predictable once you understand their needs and motivations. In her book *Your Cat Won't Do That*, longtime cat behaviorist Marilyn Krieger provides a comprehensive guide to cat behavior, offering valuable insights and practical advice for cat owners.

Your Cat Won't Do That! Observations and Advice for Cat Companions from a Longtime Cat-Sitter by Marie Hamer

Krieger covers a wide range of topics in her book, including:

- Litter box problems
- Scratching and biting
- Aggression

- Fear and anxiety
- Changes in behavior
- Senior cat care

Krieger's approach to cat behavior is based on her years of experience working with cats and their owners. She believes that cats are highly intelligent and social creatures who need mental and physical stimulation to be happy and healthy. She also emphasizes the importance of creating a positive and supportive environment for cats, where they feel safe and loved.

Your Cat Won't Do That is a valuable resource for cat owners of all levels of experience. Krieger's clear and concise writing style makes the book easy to read and understand, and her practical advice is sure to help cat owners address common feline quirks and challenges.

Praise for *Your Cat Won't Do That*

"Marilyn Krieger is a master at explaining cat behavior and providing practical solutions to common problems. This book is a must-read for anyone who wants to understand and care for their cat in the best way possible." —**Dr. Bruce Fogle, author of *The Complete Cat Owner's Manual***
